Dear Walter:

You were kind enough to mention in the New York Numismatic Club notice that Julian Blanchard died. I did see it in Coin World and I am very sorry. He was a wonderful numismatist and he did a great deal for the field.

I feel it is wrong for collectors and dealers to jump in right away with respect to acquiring his collection but I certainly would like to have an opportunity to buy some of the things. In due course I wonder if you would be nice enough to tell me what is going to happen to his collection.

Unfortunately, I will not be able to attend your April 14 meeting as I tied myself up in unnecessary speeches.

My kindest personal regards.

Sincerely yours,

ERIC P. NEWMAN NUMISMATIC

Dear Eric,

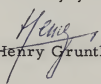

Referring to our recent telephone conversation and your letter of February 3rd I wish to reiterate that the Council meeting as well as the meeting of the New York Numismatic Club takes place on June 13th. Since you will most likely attend our Council meeting I suggest that we go to the club meeting together and also have a trial run of the slides in your carousel which is probably the same type as my own Kodak carousel.

I have changed your topic to "Early American Paper Money."

I do not think it advisable to have questions from the membership while you are giving your talk. I think it would be much better for you and the members to have a question and answer period right after your lecture.

With warm personal regards, I am

Sincerely yours,

Henry Grunthal
